REALISTIC EDUCATION AMONG DIGITAL YOUTH (R.E.A.D.Y)

DigiCompEDU For Teachers Questionnaire

Dear Participant

SELFIEforTEACHERS comprises 32 self-reflection items in 6 competence areas. Each item is introduced by a description of the competence and provides six competence statements following a six-level proficiency model. A seventh statement of not being aware of the competence is also available.

This questionnaire was prepared based on the framework in the article that was written by Anastasia Economou "SELFIEforTEACHERS A self-reflection tool for teachers' digital competence" published by the European Commission in 2023.
